

JICHUANGLIDE HD OIL

MULTI-PURPOSE PREMIUM QUALITY CHAIN OIL

PRODUCT DESCRIPTION:

JICHUANGLIDE HD is manufactured from a high quality high VI solvent extracted paraffinic base oil fortified with extended pressure and anti wear additives and a tackiness agent to impart maximum anti-wear EP and clinging characteristics.

TYPICAL USES:

- Recommended for lubrication of chains and rollers of motorcycles and bicycles. Also used in Industrial applications such as copying machines, knitting machines & printing equipment.

FEATURES:

Economical-

- Tackiness agent reduces oil consumption and leakage.
- Reduces inventory - one oil for many uses.
- Extended pressure additives and anti-wear additives extend the chain life.
- Superior Rust Protection.
- Excellent oxidation stability for long life at elevated temperatures.
